THE STATE AT LARGE. PETERSBURG.

THE NOTIONAY POLIONING CASE—HARLEY,
THE RIGAMIST—THE PETERSUEG CHARTER
AMENDMENTS—BISHOP RANDOLPH'S APPOINTMENTS—DEATH OF A FARMER—
FATHER WILSON'S TRANSFER.

At the term of the County Court of Nottoway held on Taursday inst the case of the Commonwealth vs. Jennie Overton, the colored girl indicted for administering poison to the family of Mr. D. O. Justice. by which act three or four persons were made ill and only saved from death by prompt medical attendance, was continued until the next court. The poison was administered in the coffee served at the suppertable. The evidence agenst the accused is altogether circumstantial. Mr. Goodwyn, of counsel for the accused, was unable to attend court by reason of an accident several days ago, by which he sustained an ugly fracture of the leg.

A letter from Nottoway Courthouse states that Harley, the bigamist, is still commed in the jail there, awaiting the result of the application to Judge Welsiger for a new trial. He is said to be sad and detected but her dead of the same and the sad and detected but her dead of the same and the sad and detected but her dead.

of the application to Judge Welsiger for a new trial. He is said to be sad and dejected, but hopeful of a new trial.

The amendments to the charter of Petersburg passed by the Legislature list week provide among other things for a redistricting of the wards of the city, a new registration, and the sppointment of registrary by the judge of the Circuit instead of the flustings Court, as heretofore. When trars by the judge of the Circuit instead of the Hustings Court, as heretofore. When the Republicans were in power some years ago a large negro vote in the Sixth Ward was transferred to the Fifth Ward to change the political complexion of the latter. It is proposed to place this vote back to the Sixth Ward. The effect of the redistricting will be to more distinctly separate the white and colored vote of the city. It is reported that in order to counteract this effect the Collitionists are already taking steps to colonize some of the close taking steps to colonize some of the close

Labor Troubles. STRIKE OF WEAVERS AT FALL RIVER.

[By telegraph to the Dispatch.]
FALL RIVER, MASS., February 11.—The (By telegraph to the Dispatch.)

Fall River, Mass., February 11.—The week has opened with a general feeling of uneasiness, which this morning, at 9 o'clock, showed itself by a strike of weavers in King Philip mills. The weavers held a meeting and appointed a delegation to wait upon the treasurer and ask that the 10 per cent. reduction be returned, that a change be made in the fines, and that fortnightly pay be established instead of monthly. The reply was that the 10 per cent. would not be returned; that the weavers could receive back 2½ per cent.—the same concession as was made to the spinners—and that if the other mills gave back 10 per cent, they would also. The treasurer explained that the fines were necessary to enforce good work. He would not pay fortnightly, but would every four weeks instead of monthly. There was considerable discussion after the report was presented. Some wanted to go to work, others opposing, and it was finally decided to meet again in the afternoon.

THOUSANDS UPON THOUSANDS m, of the most wonderful cures, voluntaril ent us. It is our medicine, Hop Bitters, tha makes the cures. It has never failed, and never can. We will give reference to any one for any lisease similar to their own, if desired, or will re fer to any neighbor, as there is not a neighborhood in the known world but can show its cures by Ho Bitters.

A prominent physician of Pittsburgh said to ady patient, who was complaining of her con tinued ill health, and of his inability to cure her lokingly said : " Try Hop Bitters !" The lady tool it in earnest and used the Bitters, from which she obtained permanent health. She now laughs at the doctor for his joke, but he is not so well pleased with it. as it cost him a good patient.

PEES OF DOCTORS. The fee of doctors is an item that very many per sons are interested in. We believe the schedule for visits is \$3, which would tax a man confined to his bed for a year, and in need of a daily visit, over \$1,000 a year for medical attendance alone! And one single bottle of Hop Bitters taken in time would save the \$1,000 and all the year's sickness.

A LADY'S WISH. "Oh, how I do wish my skin was as clear and soft ss yours," said a lady to her friend. " You can easily make it so," answered the friend. "How?" inquired the first indy. "By using Hop Bitters, that makes pure, rich blood, and blooming health It did it for me, as you observe."

GIVEN UP BY THE DOCTORS.

"Is it possible that Mr. Godfrey is up and

work, and cured by so simple a remedy?" "I assure you is true that he is entirely cured, and with nothing but Hop Blitters, and only ten days ago his doctors gave him up, and said he must die from kidney- and liver-trouble!" ja 31-Th(w)Sa&Tu1m
